What Happens Next?

If you have not previously signed a Graduate PLUS Master Promissory Note (MPN) and your credit check has been approved, Earlham College will send an e-mail with instructions to complete the MPN online. Loan proceeds will **not** be credited to your account until the MPN is completed.

Credit Balances*

If a Graduate PLUS disbursement should cause a credit balance (payment in excess of the amount you owe Earlham College), the credit balance will be refunded to you, by check; the Accounting Office will mail the check to your billing address. Contact the Accounting Office if you need to make other arrangements. If you prefer, you can request that a credit balance be held in your student account. Funds may be used to purchase books or for other educational expenses.

Please specify below your request should the Graduate PLUS Loan create a credit balance on your student account.

- YES, I would like the credit balance refunded to me by check.
- NO, I would like the credit balance to remain on my student account.
